A QR Code can be read with your smartphone using an application that you will need to install beforehand.  
You can then access our videos in a single click.

# RACLET, THE EXPERIENCE

## **RACLET TRAILER TENTS ARE ALL MANUFACTURED IN FRANCE.**

Raclet has over 70 years of experience in manufacturing camping equipment. We use only the best components to ensure our products endure the test of time: high quality outdoor treated cotton, unbreakable seams, YKK zips, TRIGANO or AL-KO axles, galvanised chassis and more. Most models come with a groundsheet attached to the awning to provide complete protection against damp and insects.

## **80 YEARS**

---

For 80 years, RACLET's key asset has been its expertise and it has never stopped its continual pursuit of improving its products.

## **YKK**

---

All our products use YKK zips and for greater strength

## **OK**

---

Enjoy carefree holidays with all the reliability and comfort of RACLET products.

## **RACLET TRAILER TENTS COMBINE THE COMFORT OF MODERN CARAVANS WITH THE PLEASURE OF CAMPING HOLIDAYS IN TENTS.**

These are tents which are built into trailers. They are easy to fold and pitch in a few simple motions. They contain one or more bedrooms, in addition to an awning that comes in various sizes depending on the chosen model and intended purpose. Whether they are for two people or a whole family, Raclet products cater for all your needs in terms of comfort and practicality to make your camping holidays pleasant and enjoyable and leave you with some great memories.

# RACLET, QUALITY GUARANTEES

TEXYLOOP®  
A CLOSELOOP INDUSTRY

In order to implement a certified environmental approach and manage the life cycle of our products, **RACLET has joined forces with TEXYLOOP® to recycle 100% of our PVC canvases.**

Recycling is currently the only effective solution we have for limiting our environmental impact and reducing the amount of waste produced. Every ton of new raw material produced by TEXYLOOP® recycling equals the same savings in resources and energy. TEXYLOOP® is a fully operational industrial recycling process at the heart of a Europe-wide collection network. TEXYLOOP® enables 100% of textile components to be recycled and promotes the reuse of fabrics in a variety of ways by businesses.

## EUROPEAN CERTIFICATION

All of our trailer tents conform to current European standards and meet the latest road safety requirements. This means that our trailer tents can be used in all EU member states.

Standard fittings pictured

# SAFARI

A stylish and cosy family solution.

*The SAFARI trailer tent offers all of the space and comfort that a family could dream of for wonderful holidays.*

*You'll love its modern style and wide windows.*

*Extremely spacious with a large living area and two large sleeping spaces with a quilted mattress each, it also has a stunning storage space. The unrivalled light of the caravan Safari can also be easily adjusted thanks to the shading blinds in the windows. Large vents with mosquito screens add to your relaxing experience.*

*The simple, rounded frame of the caravan enables easy pitching. Two positions make it easy to load onto a trailer, and you'll get an adjustable trailer cover.*

LONG-STAY

QUICK  
PITCHING: 20 MINS

Easy pitching with its simple, curved frame

Spacious with two large sleeping spaces, a large living space and a good amount of storage space: family use

Modern lines with rounded shapes

Dark sleeping spaces to filter out light

Featuring wide windows for maximum light. All of these windows are fitted with shading blinds

Large vents with mosquito screens

Quilted comfort mattress

Adjustable cover with two positions for trailer loading.

# SOLENA

For couples or small families who enjoy frequent trips.

*The SOLENA model combines practicality with comfort. For those looking for a trailer tent suitable for touring camping, this is the perfect solution. The Solena has tons of great features and can be pitched in no time at all. Extremely compact and lightweight, it's suited to all types of terrain, including those where pegging isn't an option. What are you waiting for? Let's go camping! Designed for couples or small families, the SOLENA caravan is comfortable, with its comfort quilted mattress and large round windows, which let it plenty of light. The roof is made from rigid, reinforced polyester and the opening from the trailer is protected by a locking mechanism.*

TOURING

QUICK  
PITCHING: 5 MINS

- Quick, one-step pitching
- No pegging. Can be pitched on hard terrains
- Compact, lightweight and easy to manoeuvre
- Rigid cover
- Lock-protected trailer opening
- Quilted comfort mattress
- Dark sleeping spaces to filter out light
