RACLET: EXPERIENCE

RACLET TRAILER TENTS ARE EXCLUSIVELY MADE IN FRANCE.

Raclet has over 70 years' experience in manufacturing camping equipment. We use only the best components to ensure our products last the test of time: high quality outdoor treated cotton, unbreakable seams, YKK zips, TRIGANO or AL-KO axles, galvanised chassis and more. Most models come with a groundsheet attached to the awning to provide complete protection against damp and insects.

80 YEARS

For 80 years, Raclet's key asset has been its expertise and it has never stopped its pursuit of better quality.

YKK

All our products use YKK zips and for greater strength.

OK

Enjoy carefree holidays with all the reliability and comfort of Raclet products.

RACLET TRAILER TENTS COMBINE THE COMFORT OF MODERN CARAVANS WITH THE FUN OF CAMPING HOLIDAYS.

These tents are built into trailers. They are easy to fold and pitch in a few simple motions. They contain one or more bedrooms, in addition to an awning that comes in various sizes depending on the chosen model and intended purpose. Whether they are for two people or a whole family, Raclet products cater for all your needs in terms of comfort and practicality to make your camping holidays pleasant and enjoyable and leave you with some great memories.

RACLET, QUALITY GUARANTEES

TEXTYLOOP®
A CLOSELOOP INDUSTRY

In order to implement a certified environmental approach and manage the life cycle of our products, **RACLET has joined with Textyloop to recycle 100% of our PVC canvases.**

Recycling is currently the only effective solution we have of limiting our environmental impact and reducing the amount of waste produced. Every ton of new raw material produced by TEXTYLOOP recycling equals the same savings in resources and energy. TEXTYLOOP is a fully operational industrial recycling process at the heart of a Europe-wide collection network. TEXTYLOOP fully recycles textile components and helps foster the reuse of fabrics in a variety of ways by businesses.

EUROPEAN CERTIFICATION

All of our trailer tents conform to current European standards and meet the latest road safety requirements. This means that our trailer tents can be used in all EU member states.

SAFARI

A stylish and cosy family solution.

The SAFARI trailer tent has all the space and comfort a family could wish for - with it, you are guaranteed a fantastic holiday! You'll love its modern style and wide windows. This spacious trailer tent, with a huge living room and two large bedrooms featuring a quilted mattress, also boasts great storage space. The Safari trailer tent's unrivalled brightness is easy to manage thanks to the window blinds. Wide air vents with mosquito screens provide added comfort.

The simple, curved frame of this trailer tent makes it easy to pitch. Two positions make it easy to load the trailer and there is also an adjustable trailer cover.
